We have performed the procedures agreed with you and enumerated below with respect to the attached Progress Report as of December 31, 2016 on the use of proceeds generated from the initial public offering (IPO) of CEMEX Holdings Philippines, Inc. (the "Company") as outlined in our engagement letter dated January 31, 2017. The engagement was undertaken in accordance with the Philippine Standards on Related Services 4400, *Engagements to Perform Agreed-upon Procedures*. The procedures were performed solely to enable the Company to comply with the requirement of the Philippine Stock Exchange to submit an assurance report on the information being presented by the Company relating to the use of the IPO proceeds. The agreed-upon procedures and results thereof are summarized as follows:

- We obtained the copy of the Company's Planned Use of IPO Proceeds and Progress Report as of December 31, 2016 and performed the following:
 - Recomputation to check the mathematical accuracy of the Progress Report. We found that the Progress Report is mathematically accurate. No exceptions were noted.

- We compared the nature of expenditures in the Progress Report with the nature of expenditures reflected in the Planned Use of Proceeds. We noted from the plan that immediately upon the completion of the IPO, the Company intends to use the IPO proceeds for the following:
 - a) Full repayment of short-term loan from Banco de Oro (BDO);
 - b) Repayment of amounts under the short-term loan from New Sunward Holdings B.V. (NSH); and
 - c) To the extent there are any remaining net proceeds after repaying the short-term loans from BDO and NSH, to partially repay the long-term loan from NSH.

We also noted from the Plan that the Company intends to pay the following related expenses related to the IPO:

- Underwriting and selling fees for the offer shares
- Taxes
- Philippine Securities and Exchange Commission registration, filing and legal research fees
- PSE listing and processing fee

- Other expenses

We noted that the nature of the expenditures in the Progress Report is in line with the nature of expenditures as reflected in the Planned Use of Proceeds. No exceptions were noted.

We obtained the detailed schedule of the Progress Report as of December 31, 2016, and performed recomputation to check the mathematical accuracy of the schedule and compared the subtotals and totals in the schedule with the amounts in the Progress Report.

We found the detailed schedule of the Progress Report to be mathematically accurate and totals in the schedule agreed to the Progress Report. Total expenditures per detailed schedule and per Progress Report both amounted to P24,457,219,420. No exceptions were noted.

 We vouched all the disbursements indicated in the detailed schedule of the Progress Report to supporting documents such as vouchers, bank statements and official receipts.

Loan and interest payments were validated through examination of bank statements and loan agreements with the banks. Other charges such as underwriting fees, professional and brokerage fees, taxes, and other expenses incurred were vouched to billing statements and official receipts.
