CEMEX Holdings Philippines, Inc. ("CHP") informs that it received information today that in connection with the environmental class action related with the September 2018 landslide in Naga, Cebu that was filed against CHP, APO Cement Corporation ("APO"), APO Land & Quarry Corporation ("ALQC"), the Mines Geosciences Bureau-Department of Environment and Natural Resources Region 7, City Government of Naga, Cebu and the Provincial Government of Cebu, the Regional Trial Court (Branch 23) of Cebu City (the court before which is pending said environmental class action) issued an order dated September 30, 2019 which partially granted the affirmative defenses of the private defendants and ruled, among others, that the subject case against CHP and APO is dismissed for failure to state a cause of action.

The court also ruled that: (i) the 22 plaintiffs who failed to sign the verification and certification against forum shopping are dropped as party-plaintiffs; (ii) the subject case is not a proper class suit, and that the remaining 17 plaintiffs can only sue for their respective claims, but not as representatives of the more than 8000 alleged victims of the landslide incident; (iii) plaintiffs' cause of action against ALQC for violation of Section 19(a) of Republic Act No. 10121 is dismissed; (iv) there is a misjoinder of causes of action between the environmental suit and the damage suit; and (v) the damage suit of the remaining plaintiffs will proceed separately upon payment of the required docket fees within 30 days from receipt of order, otherwise, the case for damages will be dismissed.
