CEMEX Holdings Philippines, Inc. (“CHP”) informs that one of its principal operating subsidiaries, Solid Cement Corporation (“Solid”), has initiated arbitration proceedings with the Philippine Dispute Resolution Center Inc. against Limay Power, Inc. (formerly known as SMC Consolidated Power Corporation; “LPI”), on the ground that LPI has wrongfully terminated the retail power supply agreement for electricity to Solid’s cement plant located in Antipolo City, Province of Rizal. This retail power supply agreement between Solid and LPI would have expired in December 2025.

Despite its dispute with LPI, Solid has successfully taken alternative measures to achieve uninterrupted supply of electricity to its cement plant.

At this time, CHP is not able to assess with certainty the total amount of compensation for losses and damages that may be due to it in connection with this dispute.
